November 2009

A monthly publication of the Bismarck Jaycees

Melissa Evans President

During this month of Thanksgiving, I wanted to take a moment to express my thanks to all of the Bismarck Jaycees who have helped make our chapter what it is today. A chapter cannot survive if it doesn't have the support of its members, and you've proved this year and over the previous years that you will do what it takes to make us succeed. The year is almost done, and while you want to sigh in relief, and relax, please remember that you cannot give up yet. We need each of you to pitch in and do what you can to help us keep alive as a chapter.

We have a busy couple of months coming up, and while you're busy with your family during the holiday months, please don't forget about your Jaycee family. We have quite a few activities coming up this month including Wine Tasting, Season Premiere Ticket Sales Fundraiser at Kirkwood Mall. Coming up in December, we also have our annual Christmas Show. This year, "The Holiday Spirit" will be held Saturday, December 19th, 7:00 pm @ Simle Middle School. We need as many people as possible to show their support and to help out at the event. Please mark it on your calendars.

Finally, please keep the Burdolski family in your thoughts and prayers with the loss of their daughter Lisa. Dennis and Becky and their girls have been very supportive of the Bismarck Jaycees over the past few years and have truly shown the spirit of the Jaycee Family. Please offer prayers for them and show your family support as part of this extended Family we have with our fellow Jaycees.

Don't forget Veterans Day, November 11th. Show your support for our veterans! Stay safe and have a very warm-filled Thanksgiving everyone.

Christmas Party

Leif Olson Management VP

Hello fellow Jaycees!

Well, first off, I want to thank everyone who elected me to be your next chapter president in 2010 while I was off getting married in Texas. I am looking forward to a great year with y'all next year. Secondly, I want to personally thank Karla, Kristie, Rachele, and Janitda for stepping up to be on my board. I also wanted to remind you that one of the most important board positions, Community Vice President, is still available. I would really love to see someone run for the position at the next meeting. You will get lots of help and support from Karla who is doing a great job as Community VP this year and who will be Management VP next year.

Now, on to management business. We got drawn for the Kirkwood Mall Season Premiere, so we will be doing that again this year from 5:30 pm to 9:00 pm on Sunday, November 22nd at the JC Penney entrance. This is a fun and easy way for us to raise some money by selling \$5 tickets in advance and then selling tickets at the door that night. I hope you can all help out.

And, finally, we have another fun Casino Night at the beginning of next month on Saturday December 5th at 7:30 pm at the Ramkota. It should be another fun and easy fund raiser that I hope many of you can help out with.

INDIVIDUAL DEVELOPMENT NOVEMBER EVENTS!

Happy November Everyone! As we are leaving fall behind and heading into the wild and crazy Holiday Season, I wanted to make sure we are taking care of ourselves this month. So I have planned a few ID events for us during the month of November:

November 10th @ 7:00 Mike Hahn with Smart Weight Nutrition

- Mike is a registered nurse, physical trainer and host of the URL Radio.net talk show the Woman's Power Hour. Mike is going to join us before our November 10th general membership meeting to talk to us about Nutrition and Stress Management.

I know the Holidays are coming up and we always give ourselves the free pass to indulge a little. Hopefully we can learn a little from Mike on how to prepare ourselves for those 2010 New Year's resolutions, and maybe learn how to cope through the stressful holiday season!

November 16th @ 6:00 Vintner's Cellar Wine Tasting

- Join us at Vintner's Cellar, at the Gateway Mall, to learn a little more about the world of wine. You will learn the proper way to taste wine, drink wine and store your wine. Also, what all those names mean: Chardonnay, Merlot, Zinfandel, etc. You could even make your own batch of wine for the holidays!

So if Mike's talk about Nutrition and Stress Management doesn't sink in until after the Holiday season, join us for a glass of wine...or two...or three... Space is limited for the Wine Tasting so please email me or sign up at the November 10th general membership meeting. There is no cost to participate in the wine tasting!

I hope to see you all there!

Happy Thanksgiving ~ Krissy Wiese
