

Hello fellow Jaycees!

Well, I am off to another national Jaycee convention in New Orleans, LA in the morning. I wish you could have all came with us. National conventions are such an amazing experience, they are truly what got me hooked on the Jaycees.

While I am gone we have a couple of big events happening. On Saturday June 5th we have the Adam Geiger Memorial Fishing Experience in the morning and then the American Cancer Society Relay for Life starting in the evening. I hope that everyone who attends these events has a great time. I wish I could have been there.

Then, coming up on the weekend of the 18th to the 20th is the NDAD Escape to the Lake Water Skiing event and Bismarck Jaycees camp out at Nelson Lake. This is another one of my favorite events. I will definitely be at this one and I hope that most

of you can make it too. It is a wonderful experience helping these individuals to water ski and then we also have a fun camp out at the same time.

So, this should be a fun and rewarding month for everyone. Hope you can all make it to some of our events.

Sporting Chance

Please join us to help give people with disabilities a sporting chance.

Meet at the Dan's Supermarket parking lot in Mandan to carpool down to Graner Bottoms at 7am. This rewarding event will go from 8 am to 2 pm with a fish fry to follow. If you have any questions, please contact Steve DeLap.

Relay for Life

Saturday June 5th

The Bismarck-Mandan Relay for Life is being held this weekend, Saturday June 5th. Opening ceremonies begin at 5:00 pm and team pictures will be held then also. If you want to be in the team picture, please be at Century High School track and look for us before 5:00 pm. It will go until early Sunday morning.

It sounds like it will be a fun-filled evening at the track with different events around the area. There will be a silent auction and there will be other teams selling souvenirs and snacks during the evening, so bring extra cash. I believe there will also be some volleyball games too. If you have any games that can easily travel and set up in our area, please bring them too. Don't forget your walking shoes!! There will not be a sign-up sheet, but we do want to have someone from our team on the track at all

times, if possible, so even if you can't stay all night, please try to

stop by for a little while and support the team.

Thanks to those of you who have generously offered to help set up the site in the afternoon. I really appreciate your help. So many of you have stepped up and offered so much help and you are greatly appreciated.

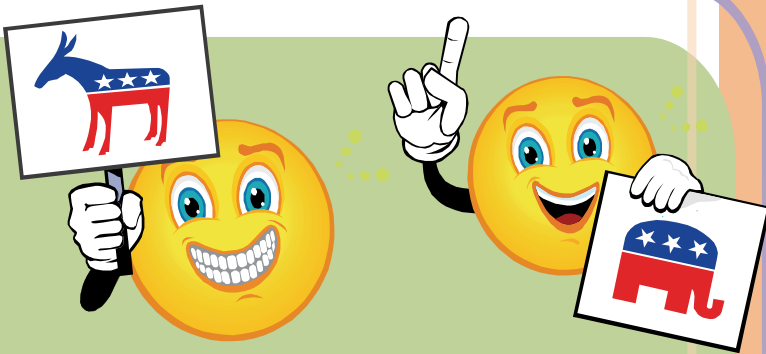

If someone has a grill that they can bring, please send a shout-out so we know to bring food to grill. It gets chilly at night, so don't forget chairs and blankets. You may also want to bring a small cooler for any chilled non-alcoholic beverages you may want to tote along.

Thanks again to everyone participating.

Jaycee Creed

We Believe: that faith in God gives meaning and purpose to human life.

That the brotherhood of man transcends the sovereignty of nations.

That economic justice can best be won by free men through free enterprise.

That government should be of laws rather than of men.

That earth's great treasure lies in human personality.

And that service to humanity is the best work of life.
