

Jaycee Spirit Newsletter

May 2010

Hello fellow Jaycees!

Spring has sprung and we had another great spring ND Jaycees OYND Convention here in Bismarck. I want to thank everyone that was able to make it and help make it happen. I really hope that you enjoyed yourselves. We had a wonderful OYND candidate from our chapter who unfortunately did not win but she represented herself very well. I was told by a couple of different people that it was the hardest judging that they had ever done because they were both such great candidates, but they could only choose one. I want to give my thanks again from our chapter to Stacy Sturm for participating and being there that night despite leaving for Guatemala the next morning at 5am! I also want to give my heartfelt personal thanks to those who nominated me for my Rough Rider award. I appreciated it very much.

We are having a somewhat slower month than normal, but with all that we have coming up next month, that may be for the best. This month we are doing a community Adopt-A-Highway Cleanup and we are going to be doing a fun membership mini-golf event. I hope to see you all at both. Also, don't forget fund raising for Relay for Life and our 75th Anniversary Cookbook. Please get your donations collected and your recipes entered, the deadlines are coming up for both. We need everyone's help to make these successful projects. If you have any questions, ask Melissa Evans about the Relay and Karla Meikle about the Cook Book.

Well, that is it for now, everyone have a great Spring!

Leif Olson
President

Did You Know...

In 1994 - Junior Chamber Mission Inn Foundation created to build a nationwide network of care facilities for children and adolescents affected by HIV/AIDS. In St. Louis alone there has been more than 2,200 families helped by the network.

Amazing what our organization can do, when working together for a cause!

Jaycee Creed

We Believe: that faith in God gives meaning and purpose to human life.

That the brotherhood of man transcends the sovereignty of nations.

That economic justice can best be won by free men through free enterprise.

That government should be of laws rather than of men.

That earth's great treasure lies in human personality.

And that service to humanity is the best work of life.
