

Jaycee Spirit Newsletter

November 2010

Hello fellow Jaycees!

First off, let me congratulate those whom were elected to be on next years executive board. Congratulations to Rachele Hall our next president, Tiffany Peterson our next Community Vice President, Ben Stewart our next Individual Vice President, and Tammy Scott our next Secretary.

We still have a few open positions. These are management, membership, and treasurer. These are very important positions. The Membership VP is rather self explanatory. They are in charge of recruiting new members and making sure that we are fulfilling the needs of our current members. The Management VP watches over all of our fund raising activities and is also next in line to run meetings if the President is not available. And, the Treasurer is of course in charge of keeping tack of our finances. Being a member of the Jaycee Executive Board is the best way to get the most out of being a Jaycee. I can't even begin to tell you how much I have learned and grown while holding my 4 positions on the board. Now, as Chairman of the Board next year, I will be ready to

help out the next Board as they take over leadership of our great chapter.

We had a couple of fun membership activities last month. Thanks to everyone who helped organize the trip to the Corn Maize and the Bring Your Own Pumpkin Party, especially to the Petersons for opening their house to us for another great BYOP Party. I hope everyone who attended these events had a great time.

This month we have a few different activities planned. We are going to have a combination CPG and Thank You party on Saturday the 13th starting at 2pm. We would like to have everyone to come and work on some CPGs and then we are going to have a little pot luck celebration to thank everyone for their hard work throughout the year. Then on Wednesday the 17th we are going to have a visit from National Membership Vice President Chrystal Ramsey. We are going to take her out to Jack's Steakhouse and you are all invited to join us to meet our national guest at 6:30pm and maybe even learn a thing or two. And then, at the end of the month, we will be helping out the Salvation Army with some bell ringing.

We are almost done with another great year. I hope you can all help us finish it strong.

Leif Olson
President

Thanks for all your Hard Work CPG/Bylaws Party

We've all been working so hard this year so now its time to say thank you to all the hard working Bismarck Jaycees. Please join us at the Jaycee Leadership Hall on Saturday November 13th at 2:00 for a Potluck.

Before the potluck begins we will be completing our projects by finishing up any paper work such as CPG's and updating the Bylaws. This will be a great time to discuss our accomplishments as well as what we can do better in the future. We took on the huge task of running the Demolition Derby this year. So lets document everything so we can continue to make that event successful. Please bring any

supporting documentation that you may have used for your projects, laptops would be very helpful so

we can get as many done as possible. There will be some appetizers to munch on as we get down to business. After the work is done, be prepared to party. Please bring any games and adult beverages that you like. If you have any questions, please contact someone on the Exec Board. Thanks!!

Jaycee Creed

We Believe: that faith in God gives meaning and purpose to human life.

That the brotherhood of man transcends the sovereignty of nations.

That economic justice can best be won by free men through free enterprise.

That government should be of laws rather than of men.

That earth's great treasure lies in human personality.

And that service to humanity is the best work of life.
