

# Jaycee Spirit Newsletter

September 2010

Hello fellow Jaycees!

Well, we had an excellent Demolition Derby last month on the 28th. I think this was one of the best derbies that we have ever been apart of. We had 36 cars and over 1,000 people in attendance. We also had a great Jaycee turnout. This marks the first year that we have taken over primary control of the derby and thanks to much work from Chris and Pat I think it was a tremendous success. So, many many thanks go to Chris and Pat and everyone else who turned out to help including several new members.

Coming up this month we have 2 other big events. On Saturday September 11th we are having our huge 75th Anniversary event, so keep your calendars clear that day as you won't want to miss that one. Please be at the Jaycee Hall by noon to help set things up. Guests will start arriving at 2 pm and we will begin serving food at 4 pm. There will be games and music and guest speakers. So, hope to see you all there!

Then, on the next weekend, September 17th through the 19th, we are having our State Convention in Grand Forks. Even if you didn't get preregistered, you can still

attend. There are several different pricing levels from full registration to just the banquet. Contact me for me information if you are interested.

One other thing to be considering, elections are coming up soon. We will be calling for nominations at the next meeting and then we will be having the actual elections at the October meeting. Being a member of the Jaycee Executive Board is the best way to get the most out of being a Jaycee. I can't even begin to tell you how much I have learned and grown while holding my 4 positions on the board. Now, as Chairman of the Board next year, I will be ready to help out the next Board as they take over leadership of our great chapter.

Summer is winding down already, I am looking forward to enjoying the rest of it with you all at our next events!

President

## Jaycee Creed

**We Believe:** that faith in God gives meaning and purpose to human life.

That the brotherhood of man transcends the sovereignty of nations.

That economic justice can best be won by free men through free enterprise.

That government should be of laws rather than of men.

That earth's great treasure lies in human personality.

And that service to humanity is the best work of life.
